

Tradesman – Owned Plant Insurance

Policy summary

This leaflet provides a summary of the significant features, benefits and limitations of the cover provided by the Zurich Owned Plant policy. If you want to see the full terms, conditions or exclusions of the cover please refer to the policy document.

Type of insurance and cover

This covers loss or damage to all types of contractors' plant including scaffolding, temporary buildings etc. belonging to you, leased to you, on hire purchase or on loan to you (other than under a hire contract).

The duration of this contract is 12 months. Completion of a proposal form is not required.

What is insured

'All risks' cover for loss of or damage to owned contractors' plant at any situation in the European Union including:

- the cost of recovering any item of plant accidentally immobilised during normal operation
- loss or damage caused whilst hired out by you to a third party under standard CPA conditions or equivalent
- damage caused during multiple lifting operations provided they are undertaken in accordance with BS7121 – Safe Use of Cranes
- damage caused during overload testing provided it is undertaken in accordance with BS7121 – Safe Use of Cranes.

What is not insured

We will not pay for:

- loss of or damage to plant caused by its' own breakdown or explosion
- losses only discovered as a result of a routine inventory
- damage to any aircraft, hovercraft or powered watercraft
- damage to items licensed for road use unless primarily designed for use as a tool of trade
- damage resulting from materials treated by the plant or foreign objects entering the plant with such materials
- wear and tear, gradual deterioration, corrosion or rust
- damage to cutting edges, tools, trailing cables or flexible pipes unless such damage results from the loss of the complete item.

Insurance Act 2015

This policy is compliant with the principles of the Insurance Act 2015 law reforms. It also incorporates an 'opt out' which aims to promote good customer outcomes. We have opted-out of the 'proportionate reduction of claim remedy' available to insurers under the Act. This means that in cases of non-disclosure or misrepresentation which are neither deliberate nor reckless, if we would have charged an additional premium had we known the relevant facts, we will charge that premium and pay any claims in full rather than reducing claims payments in proportion to the amount of premium that would have been charged.

We believe that our 'additional premium approach' should, in most situations, be more favourable to our customers when compared to the proportionate reduction of claim remedy. Our additional premium approach does not affect our right to apply the other remedies available under the Act for non-disclosure or misrepresentation.

Cancellation rights

If you decide you do not want to accept the policy, or any subsequent renewal of it, please tell us within 14 days of receiving the policy or renewal notice.

We may, at our discretion, charge you for the time you have been on cover, including insurance premium tax.

Claims

To notify a claim please call **0800 302 9055**, 24 hours a day, 365 days a year.
